Hi Bob,

It was nice to see you onsite this week. Attached is the San Mateo County Inspection report, reflecting my site visit on Tuesday (November 19, 2019) of this week. Please take a look through the report, sign the bottom, and return a signed copy to me via email.

As we discussed the following actions are needed onsite:

1. Please retain a hard copy of the project SWPPP onsite at all times.
2. All silt fence on site needs to be keyed in along the bottom per the specifications of CASQA and the SWPPP.

My next inspection is scheduled for Monday (November 25, 2019). If you have any questions, please feel free to reach out at any time.

Thanks,
