Subject: Public Hearing Continued for Consideration of Recommended Revision to the Adopted 2016-17 LAFCo Budget

When notice was published for consideration of revision of the 2016-17 LAFCo Budget at the July meeting, staff anticipated that final charges and the year-end fund balance for Fiscal Year 2015-16 would be available. It is now necessary to continue this item to the September 21 hearing because final service charges and fund balance will not be provided until the last week of July.
