 BY VIDEOCONFERENCE ONLY

PLANNING AND BUILDING
NOTICE OF COASTSIDE
DESIGN REVIEW

The sign displays architectural drawings for a design review. The top section shows a site plan with property lines and a building footprint. Below this are several elevation drawings showing the proposed building's facade from different angles. A central photograph shows a completed building with a modern design, featuring large windows and a mix of materials. The drawings are held in place by two wooden clips on a cardboard backing.
