I am writing in regard to an agenda item to be reviewed at the Coastside Design Review Committee meeting on Thursday August 12, 2021.

The following comments are provided for:

Owner/Applicant: Matt and Tara Benson

File No.: PLN2021-00146

Location: 738 Francisco St, El Granada

The Bensons live next door to me, and they shared their design plans with me in July. The design looked very tasteful, well thought-out, and will be harmonious with the neighborhood. I appreciate their collaborative approach and have no concerns about the planned construction.

Sincerely,
Cindy Wilson
